

**Angelo Perata Commodore**  
**District 11 North Region**  
**United States Coast G Auxiliary**  
**United States Coast Guard** Date: 16, Jan. 2012

### **HIGHLIGHTS**

1. Aux Chef Program Update
2. Go-To-Meeting-Tuesday Night Live
3. Advanced New Member Orientation
4. Initial start of NSBW proclamation
5. Cow's
6. DSO- dialogue

### **DETAILS**

1. The Auxchef program continues to be active. Late November we concluded the last class of 2011 at YBI and had 9 students and took our total to 34 chefs. In December Linda Haynes and I were AuxChef helpers at Admiral Brown's home for his Christmas party which featured nearly 300 people. At the request of D-13 I drove to Brookings, Oregon to teach an Auxchef class for auxiliarists in D-13.
2. Tuesday Night Live has now moved to every other Tuesday night rather than every Tuesday night. This still begins at 7:00PM. We recently went over the 150 attendee milestone.
3. Effective mid-December the Advanced New Member Orientation is online and is being offered every other Tuesday immediately after Tuesday Night Live and starts at 7:45PM. I ran some extra times and dates so that existing members could view the program. The majority of the attendees were newer members and I am excited that their feed-back was very happy and grateful for the information. If you have not viewed this program – go to <http://members.d11nuscgaux.info/deck/meminfo2.html>
4. I have made initial contact with the Division Commanders regarding setting up County Board of Supervisors proclamations for 2012 National Safe Boating Week. Four additional divisions have responded and the 2012 project will include Divisions 1, 3, 4, 5, 6, 8, 10, and 12.
5. I attended Division 5 COW in December and Division 1 COW in January.
6. I have been in contact with DSO's PB, MA, HR, CS, and MT regarding various up-coming functions.

### **Goals:**

To continue to build on the foundations set last year on various programs and to be available for Support.

With kind regards,

Richard S. Thomas
