PCA

- Next PCA Fair is July 28-29 to avoid conflict with the Americas Cup Race events scheduled for August 11-19. Please pass the dates on and send any suggestions for classes to Mary Kirkwood.

Memorial

- Work is underway to assemble a manual of directions & contact information for maintenance, annual name additions to the Memorial, rules to determine which members qualify for the Memorial, etc. Under development is the concept of supplementing the fixed rules for being listed on the Memorial with a "review committee" which has flexibility to decide whether a member fails the rules but deserves to be recorded.
- Retired member Jim Kitchen will provide PCA this week with past District rosters starting with 1964. This will assist us in researching past membership.
- A plaque replicating the Dedication Brochure list of Memorial volunteers is now displayed at the Memorial.
- Contact Roger to help construct the shrub boarder and granite decor to complete the open construction items. PCA will sell surplus materials and equipment and send these amounts to District, arrange for the maintenance and annual addition of departed names, expected to run \$600 per year, and develop programs to support the Memorial.

Respectfully submitted,

Roger Haynes
